ASTROLOGICAL KEYBOARD

There are many thousands of astrologers and students of astrology to whom a typewriter with a keyboard carrying the symbols used in their profession will prove a boon. This special keyboard, developed by Remington Rand in conjunction with leading Astrologers throughout the United States, in addition to the alphabetical characters, has also a set of the most needed characters or symbols used in Astrological work. The machine is used without any changes by anyone accustomed to the standard keyboard.

This Astrological Keyboard is known as No. 3270 and is available on Remington Noiseless Models 7, 8 and 10 -- the Remington Standards 9 and 11 -- the Remington Noiseless Portable and the Remington Rand Portable No. 1 at an extra cost of \$25.00.
